

## **Vor Biopharma Announces Participation at Cowen 41st Annual Health Care Conference**

March 1, 2021

CAMBRIDGE, Mass., March 01, 2021 (GLOBE NEWSWIRE) -- Vor Biopharma (Nasdaq: VOR), a cell therapy company pioneering engineered hematopoietic stem cell (eHSC) therapies combined with targeted therapies for the treatment of cancer, today announced that the Company will be participating in the Cowen 41<sup>st</sup> Annual Health Care Conference, which will take place virtually on March 1-4, 2021. Robert Ang, MBBS, MBA, Vor's President and Chief Executive Officer, and Nathan Jorgensen, PhD, Chief Financial Officer, are scheduled to present on Thursday, March 4, 2021, at 1:30 p.m. E.T.

### **About Vor Biopharma**

Vor Biopharma is a cell therapy company that aims to transform the lives of cancer patients by pioneering engineered hematopoietic stem cell (eHSC) therapies to create next-generation, treatment-resistant transplants that unlock the potential of targeted therapies. By removing biologically redundant proteins from eHSCs, we design these cells and their progeny to be treatment-resistant to complementary targeted therapies, thereby enabling these therapies to selectively destroy cancerous cells while sparing healthy cells.
